HOW TO REGISTER for Live & Online courses

To simplify your registration process and to allow you 24/7 access to your CE history and to your certificates of attendance, all course registrations must be completed online.

If you plan to **pay by credit card or Paypal**, you will be able to register immediately for any course.

If you plan to **pay by check**, you will be able to create an invoice for payment, print it and then mail it back along with your check.

Just follow these simple steps to pay for your course by credit card or by check.

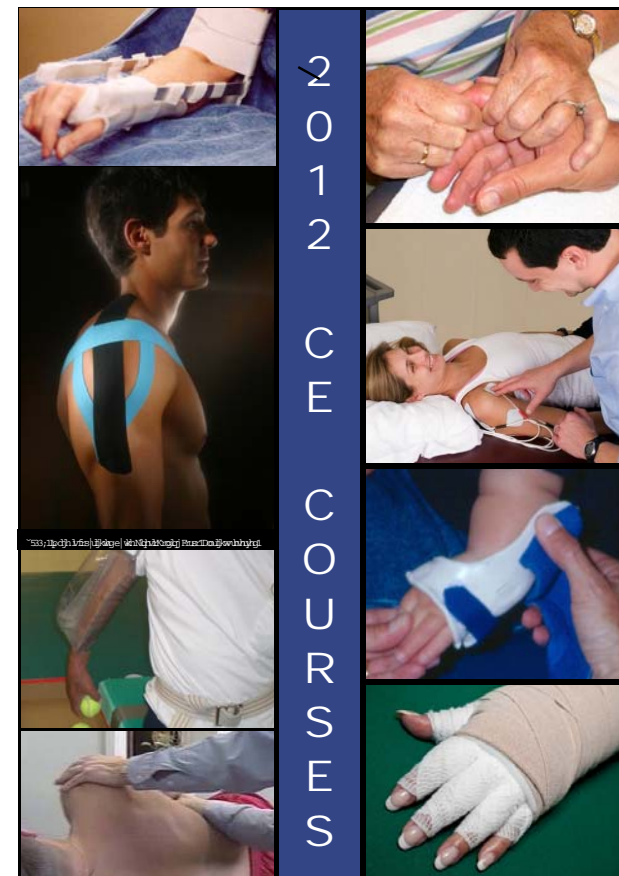

1. Go to www.RehabEd.com
2. Find the course you want to attend
3. Click on the "Registration Details" button or the "Click to Register" button
4. Select the date and location you want to attend. Click "Add to Cart"
5. Click "View cart", review contents and then click "Checkout"
6. Select the appropriate option...
 - I already have an account
 - I do not have an account
7. Follow the prompts to create an account or to log in to your existing account.
8. Select method of payment
 - pay online
 - pay by mail (check only)—invoice will be emailed to you
9. Follow prompts to complete payment

If you are paying by check or if your employer will be issuing a check for the course, please make sure to print out your invoice and mail it back along with payment check.
